

WHO HASN'T DREAMED OF BEING ON A REAL GAME SHOW?

Contestants

Players can be chosen at random or can be predetermined before the show. Contestants are brought up on stage and given a quick rundown of helpful information by the host or the co-host before the round begins. Players can compete as individuals or in teams of 2. Additional player positions are available.

Questions

The Brain Wash Game Show is made up of general trivia, music, pop-culture, and movie questions. We constantly revamp our trivia question content to remain entertaining and current. Questions can be customized by your clients to include any questions about their company, products or services they would like to have added to the game. Several questions per minute are asked to the contestants. This results in a fast, fun-filled game.

Winners

Prizes are not necessary for everyone to have a great time. The fun and excitement is usually enough. However, if your clients want to award prizes, anything from a small prize or gag gift to a prize of real value like money, gift cards or anything they want to award.

The Brain Wash Game Show has successfully proven its sustainable entertainment value by presenting at the Rocking Horse Ranch in Highland, NY and Knoebels Amusement Park consistently since 2009. Because the show stays current by constantly updating the questions being asked, it's never the same show twice.
